Informed Consent to Examination and Treatment

I (we) hereby consent to the implementation of an examination and treatment on me or on the minor, _____, by the licensed Doctor of Chiropractic, medical doctors, or licensed physical therapists who may be employed by or engaged in practice at Texas Spine and Joint Rehabilitation.

I have had an opportunity to discuss with the doctor, and or other clinic personnel the nature and purpose of the physical therapy procedures and chiropractic procedures. I understand that neither chiropractic, nor medical treatment is an exact science and that my care may involve judgments based upon facts and information identified by the doctor. The doctor uses this judgment to anticipate risks and complications, therefore an undesirable result which is rare, does not necessarily indicate an error in judgment. No guarantee of results can be made or expected, but I wish to rely on the doctor to choose and recommend the best course of treatment based upon the facts identifiable and what is in my best interests.

I further understand that there is a certain degree of risk associated with chiropractic health care and physical therapy, which includes rarely, but not limited to fractures, disc injuries, strokes, and strain / sprains. I am therefore, willing to accept and consent to the risks associated with the care that I am about to receive.

I have read the above information regarding consent. I have had an opportunity to ask questions about my examination and treatment. By signing below, I agree and give full consent to receive the procedures prescribed for my condition and understand the possible future complications for which I seek treatment.

Female patients: By my signature on this form I do hereby state that to the best of my knowledge, I am not pregnant, nor is pregnancy suspected or confirmed at this particular time.
Date of Last Menstrual Period: _____.
